

Religious of the Sacred Heart of Mary

Western American Area

Reflection for Laudato Si'

Conscious that our Earth stands at a threshold moment,

- ❖ we want to deepen our oneness with God,
one another, all people and all creation;
- ❖ we want to proclaim the new language of communion
that affirms our awareness that everything in creation is one in God
and that all thoughts, choices, and actions impact all of creation;
- ❖ we want to be women of prophetic hope
who affirm that all have a place in our Common Home.

We see our commitment to the Laudato Si' Action Plan as a concrete reflection of this commitment as Religious of the Sacred Heart of Mary, Western American Area articulated in our 2018 Chapter and as an Institute in our 2019 General Chapter Statement.
