

A PRAYER FOR CLIMATE JUSTICE

God, our Father
Creator of heaven and earth
And all that is good
We give thanks for the food we eat,
The water we drink,
The air that we breathe
And the sunlight we receive
May we learn to respect as a sacred gift,
All that has been given to us.
Forgive our violation of your creation
Help us to share all the good things
You provide for us,
Fairly for all humanity.
Give us the wisdom,
To leave our children with a future of hope,
In all the earthly fruits you provide.
We ask this through Jesus Christ, Our Lord
Amen
